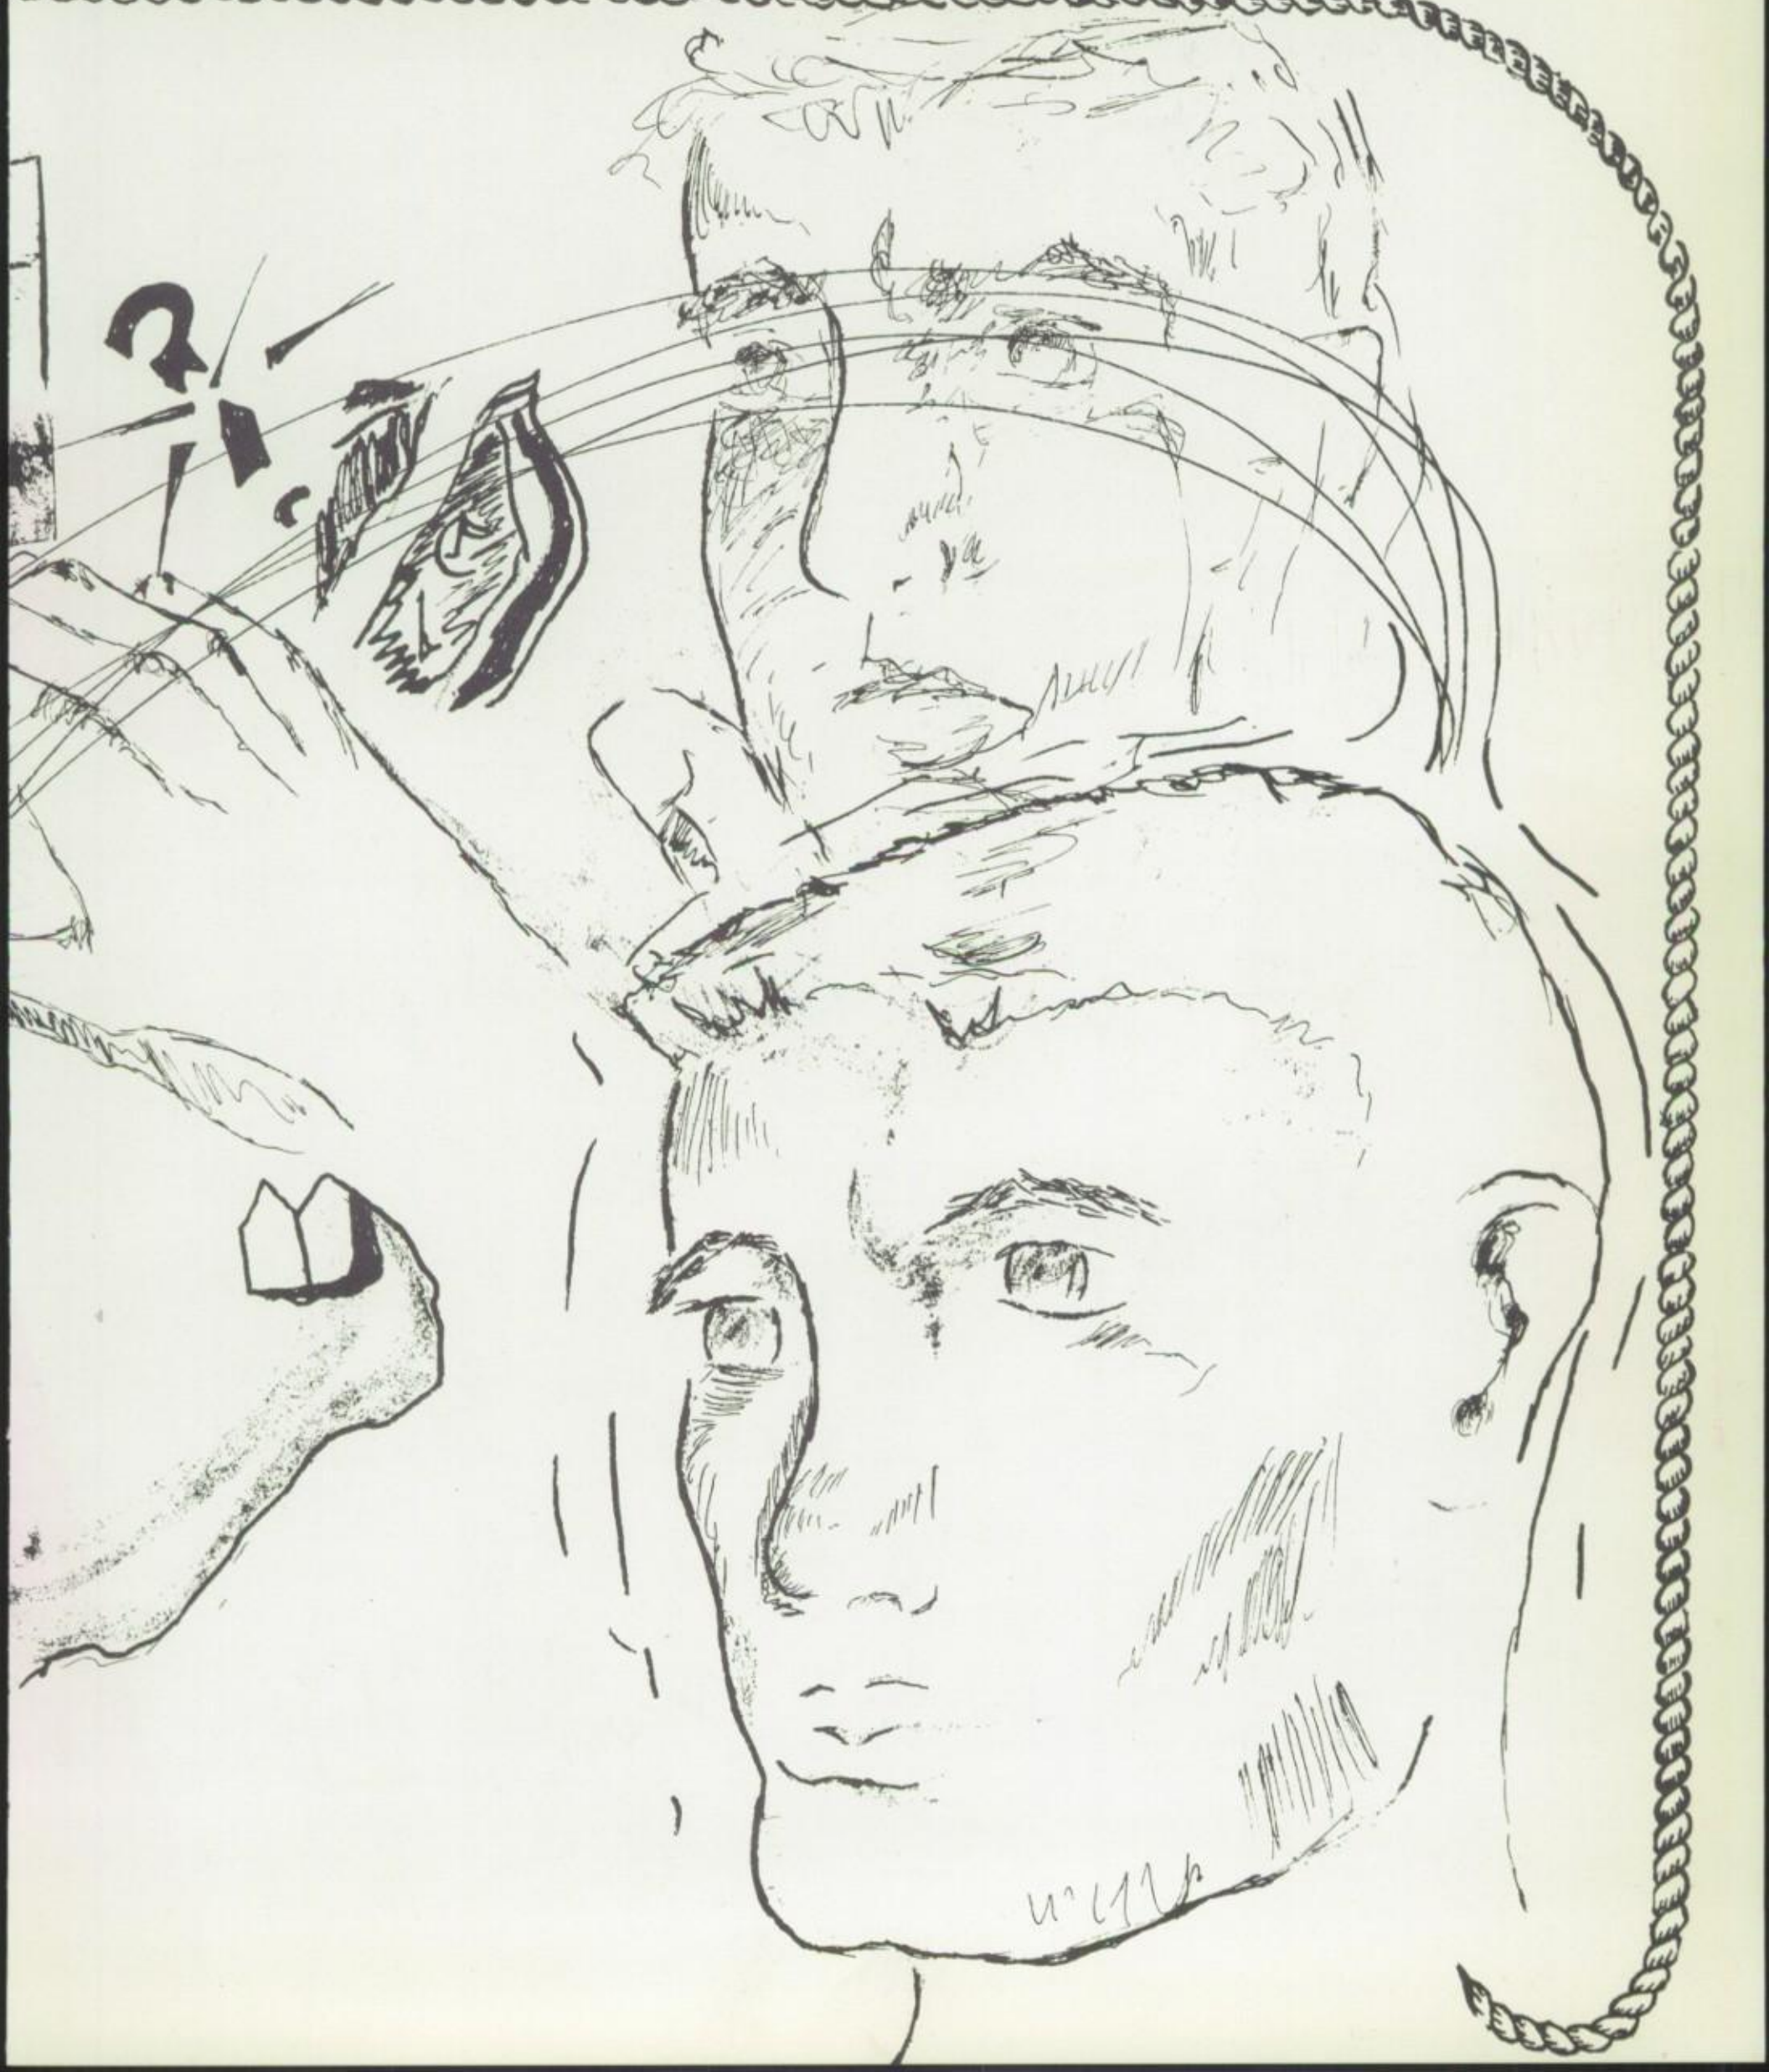
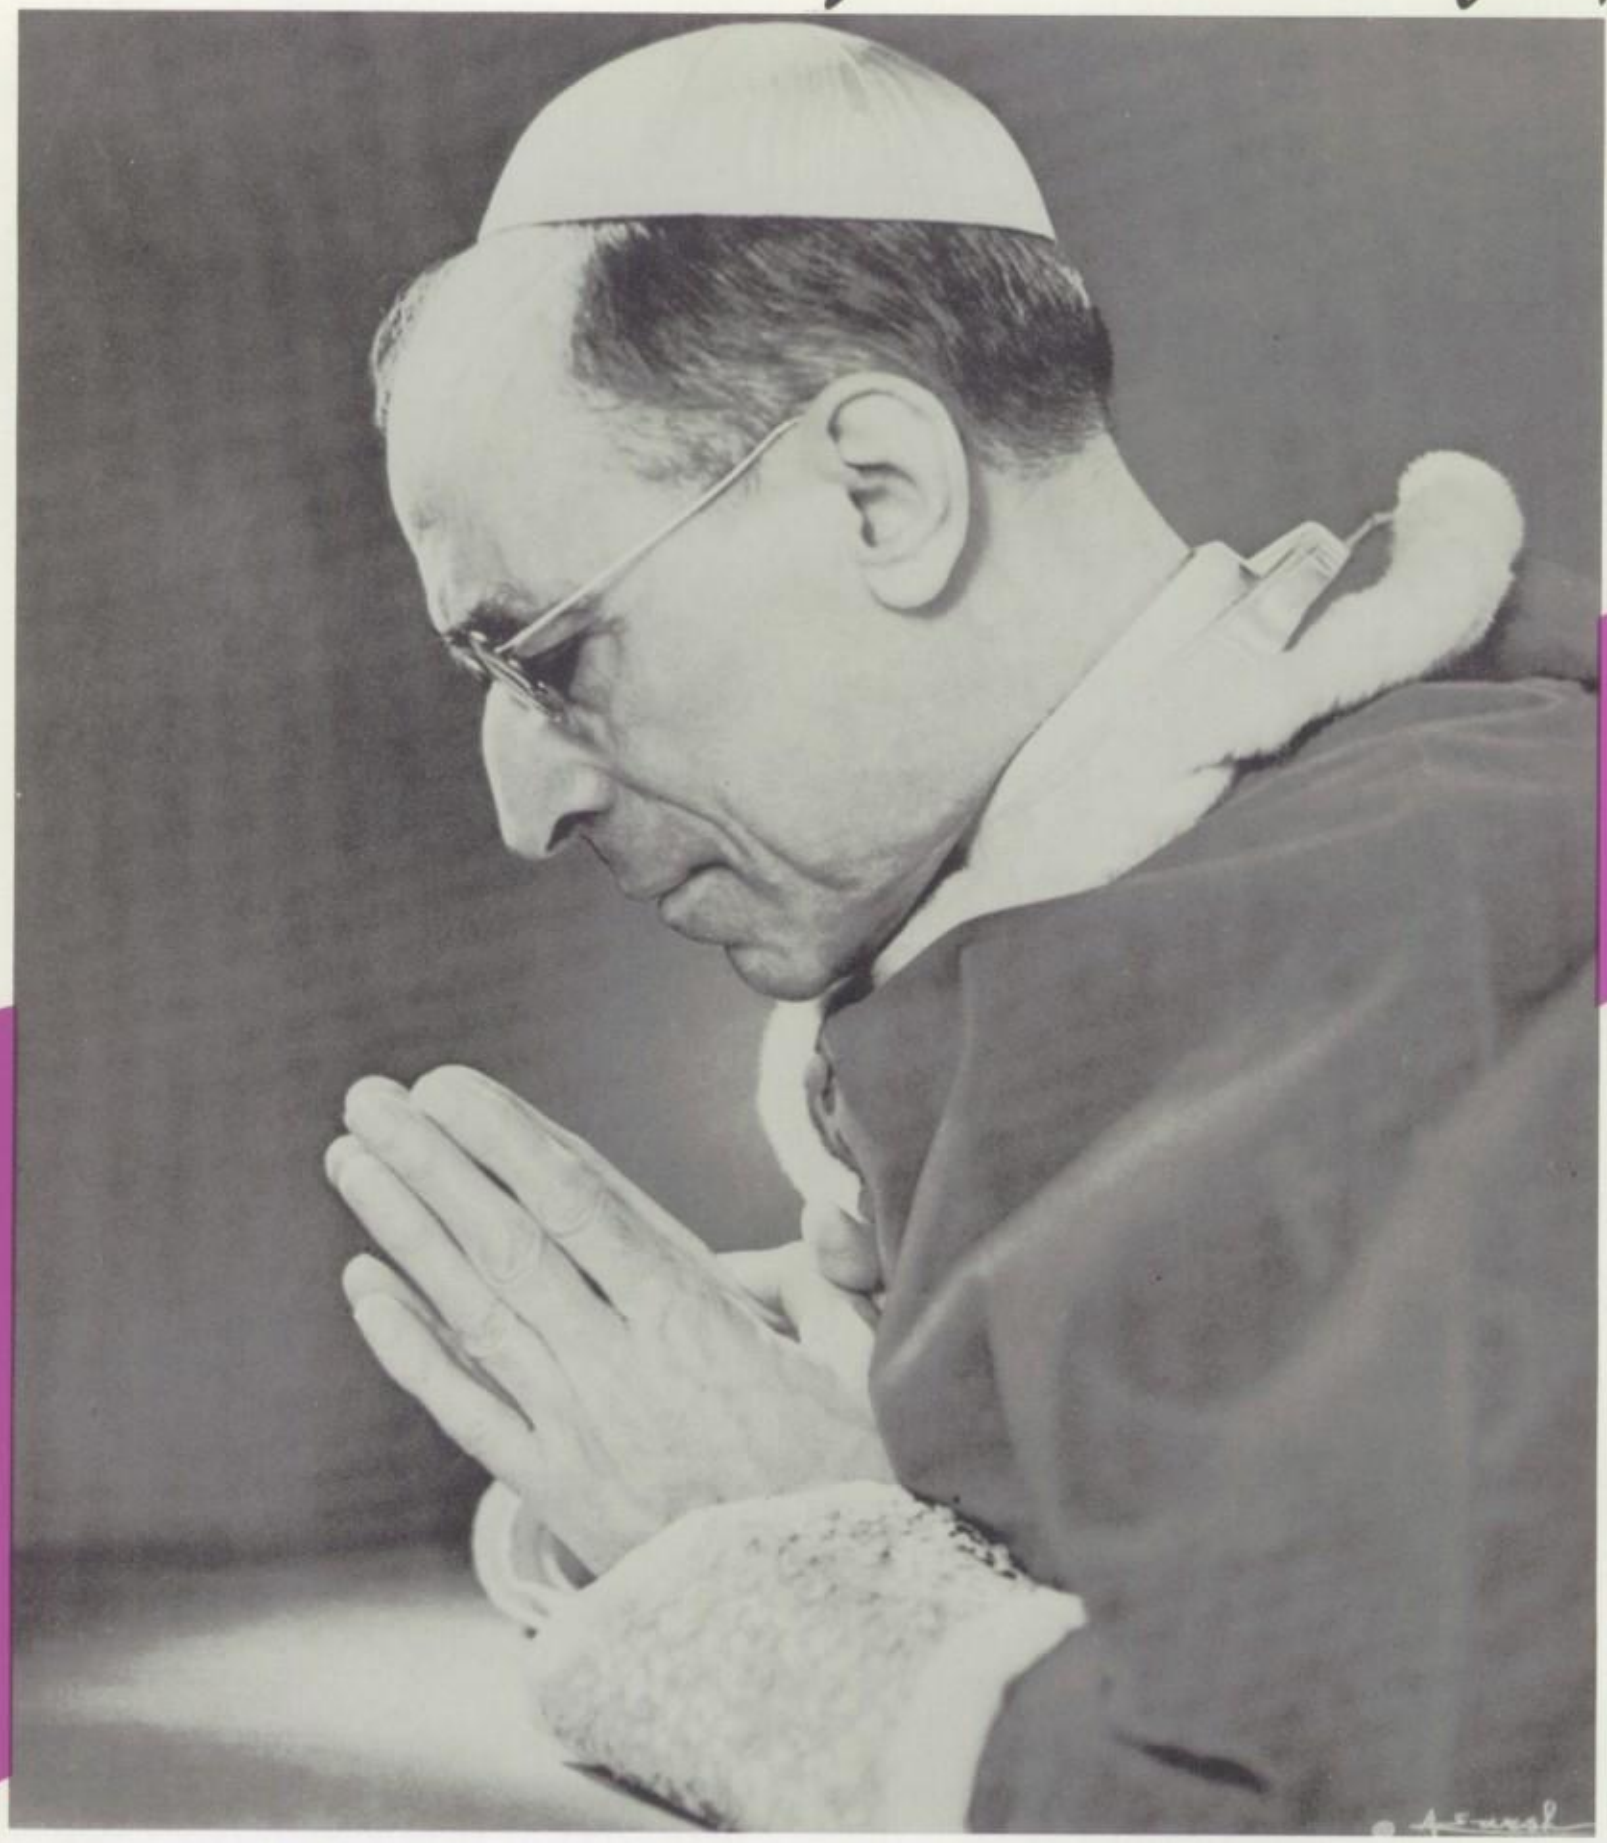
Spirit



Our Great Leader of Spirit



There have been very few people whose influence has been so widely felt that they have been loved and respected by the whole world, but such a person was Pius XII. He led such a perfectly exemplary life that he became as a light, spreading its rays over the earth. People of all faiths looked up to him as a great and holy man, and Catholics, Protestants and Jews alike, expressed their sorrow at his death.

He was often referred to as "Mary's Pope" for his great devotion to the Blessed Mother. That God looked kindly upon this representative of His is a certainty. There is even an unconfirmed report that the Holy Father saw a vision of Christ shortly before his death. This would be a fitting reward for a man who has spent his whole life working in God's vineyard.

Pius XII will also be remembered for the tremendous number of audiences he held. No previous Pope had ever held personal audiences with so many thousands of people, many of whom were diplomats from various countries. It was a matter of continual amazement to the people of the world that a man so advanced in years could carry such a heavy work load.

You may wonder what connection the late Holy Father had with Cathedral. Why are we dedicating this yearbook to him? The reason becomes obvious when he is thought of as the builder of the Church's spirit of Catholicity. Since Cathedral is a Catholic School, it is directly connected with all aspects of the Church. As the spirit of the Church is built up, the change is reflected in Cathedral. In keeping with our theme then...the transition from Church spirit to school spirit is so natural as to make them practically the same thing in a Catholic school. For this reason, we dedicate this yearbook to the memory of Pope Pius XII, one of the truly great men of the Church and of the World.

"Suffer little children to come to me and forbid them not; for of such is the kingdom of heaven."
Matt. 18:16

"Sport, understood in the Christian sense, is an effective school for that great contest which is our earthly life."

. . . . For That Cathedral Spirit

"Your young minds are open to life, anxious to learn, and nature lies before you with its marvels and mysteries... You must, therefore, study...

Here is the search for truth, the effort to possess it, and finally the will to put it into practice with action...

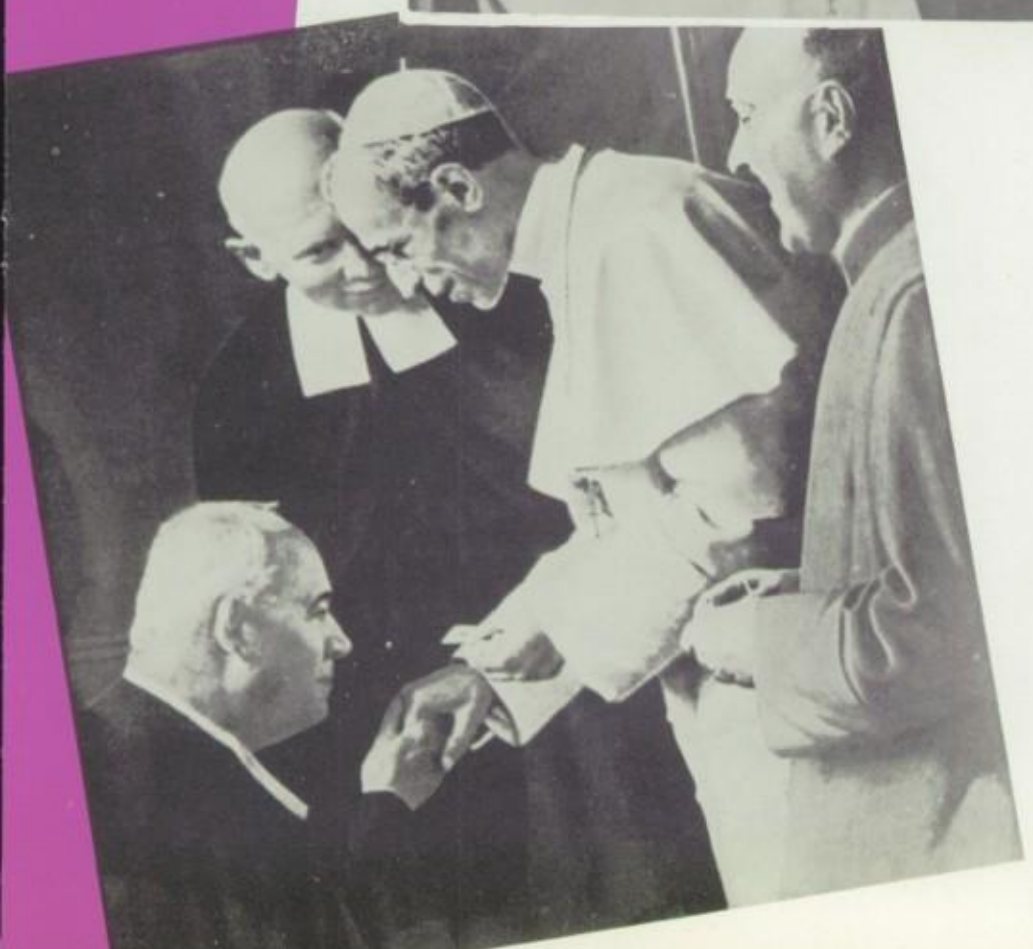
Be holy youth--a youth, therefore, which prays each day, and which ardently draws on the source of supernatural life, which puts forth so abundantly from the Church of Christ...

Human labor is not without dignity; it is not a distasteful and burdensome thing, but rather something to be esteemed and honored and enjoyed...

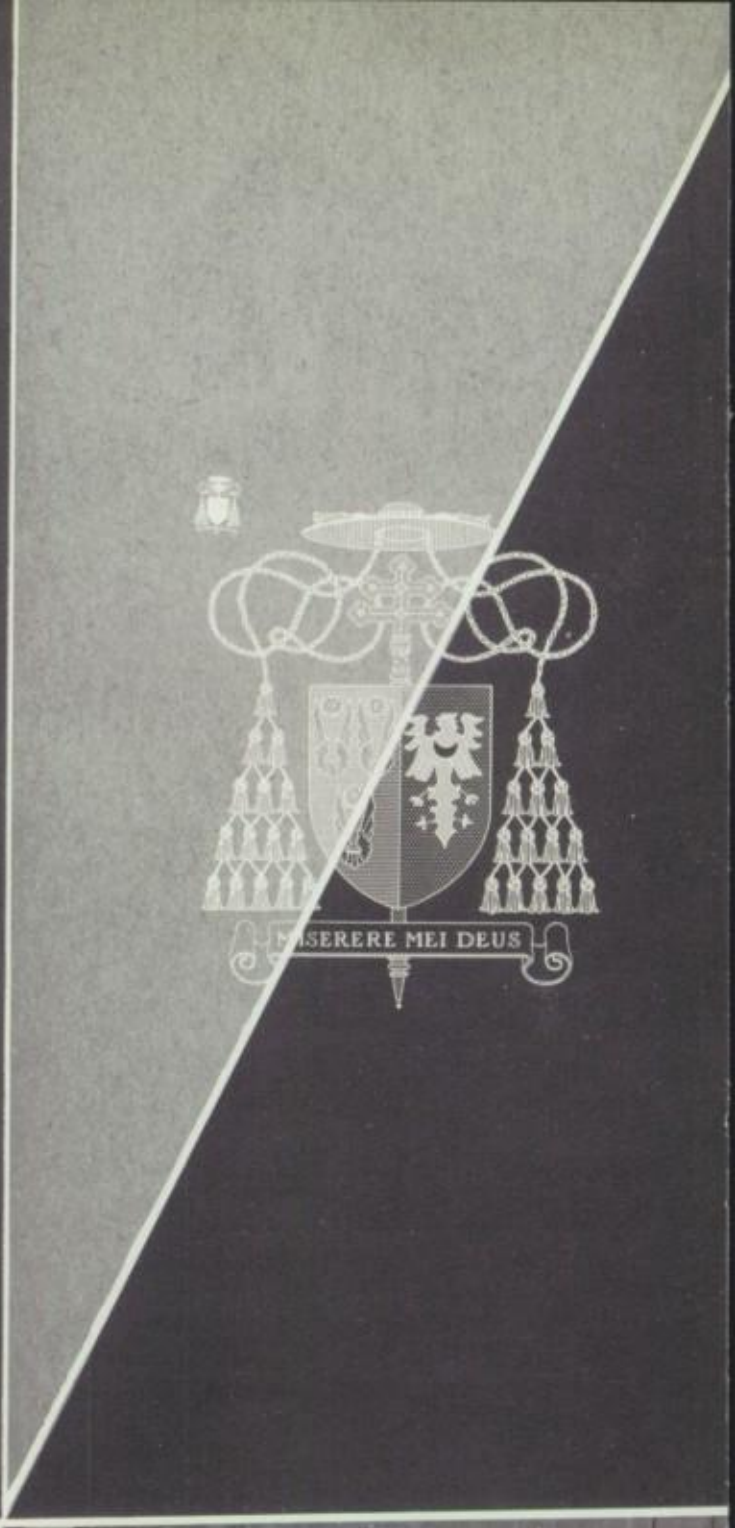
Let their (youth's) appearance and their dress be what it ought to be...

Put before them the beauty of Christian life and, in order to prepare them to bring up an upright and happy family, let them taste the happiness of purity unspoiled...

Tell them that the Pope loves them very tenderly and relies upon every one of them. Tell them that we need young heroes who are prepared to give all for the love of God and His Church." Pope Pius XII



The Holy Father had been the Cardinal Protector of the Christian Brothers. He beatified Blessed Brother Benilde.



My dear Students:

As we read of the happenings in Europe, Asia and China, wherein violent efforts are being made to exterminate from the minds of the people the belief in the existence of God, there is real occasion for deep concern and remorse.

As these persecutions prevent the practice of religion and substitute obedience to the dictates of the State, even in matters of conscience, our apprehensions of the future become more acute.

That we are fortunate enough to live in a country wherein the pursuit of life, liberty. and happiness in the freedoms of religious expression is unimpeded, should be a great source of gratification to us, and be a stimulus to our good citizenship and preserve to us these cherished blessings.

Asking God's blessings upon you, I am

Faithfully yours in Christ,

Archbishop of Los Angeles

Hierarchy

The final product of the Catholic High School is the Catholic Man. Such a one radiates in his bearing the awareness of God's presence in his heart. He holds in high honor the Holy Name. Every soul with whom he comes in contact will be elevated and ennobled because of this Catholic force that fills his mind. The fortunes and failures that are the warp and woof of life are welcomed from the providential hand of God. Honesty is the product of his hands, and truth the virtue of his lips. No sword of envy or bitterness divides his love for fellowman. He is strong in resisting temptation, whether in the open forum of life or in the cloister of his heart. A tenderness of love surrounds his manhood, a chivalry that gives unending beauty to his life, that final crowning characteristic of the Catholic man, his love and devotion to the Queen of Heaven. Such may he be who calls himself a graduate of Cathedral High.

Vicar General

Life is so often depicted with two dimensions, those who veer to the left and those to the right. There are other important dimensions to life - upward and downward.

By privileged circumstance you are receiving an education through dedicated teachers and in a Catholic atmosphere that defines clearly these often overlooked dimensions of life. Reap the treasure these years afford you.

May God's blessing be with you always

. . . . Sophs Dominate

A strong sophomore class overpowered the freshmen in the annual Frosh Week contests this year. The Sophs stormed through the athletic contests: football, basketball, volleyball and track, and later swept the academic contests. The climax of the week's activities came when the Sophs won the rally with several excellent skits. The Sophs displayed fine spirit throughout the contest.

Delicious! (Sophomores acting up)

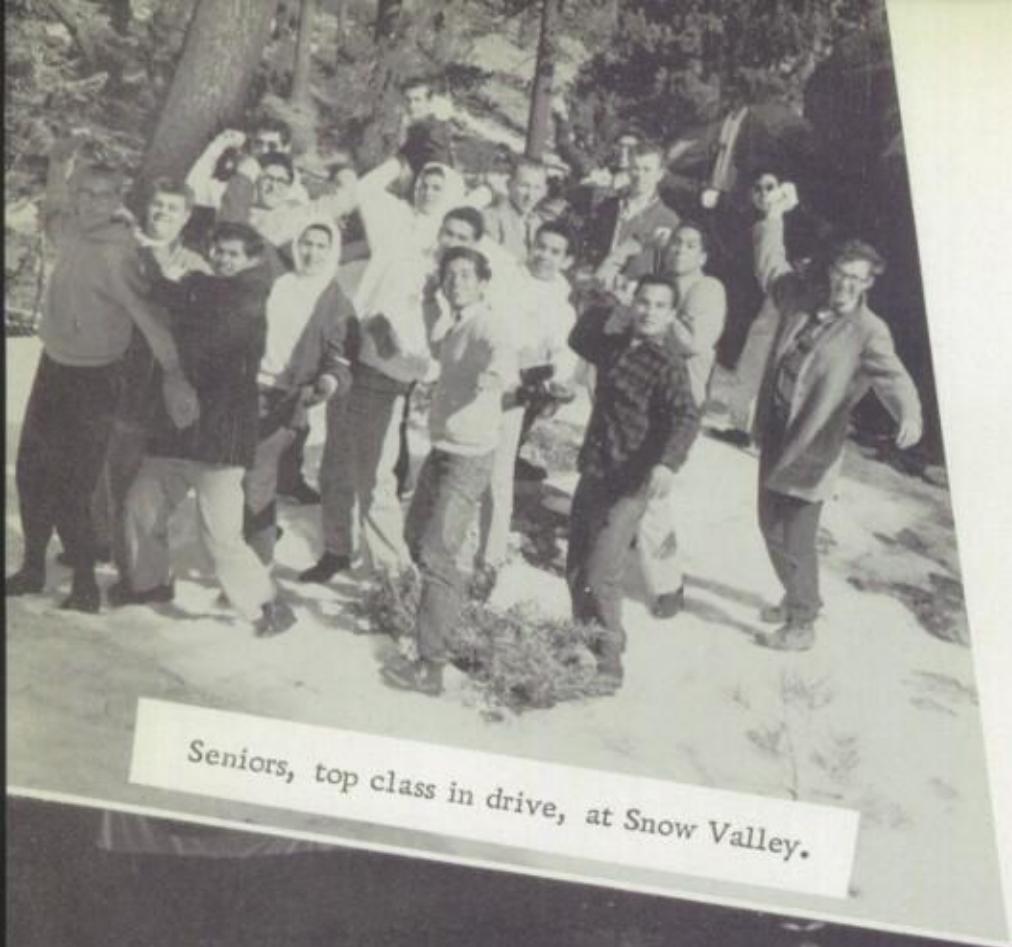
Frosh

....Frosh Loudest

Although unable to compete with the Sophs, the Frosh fought hard and showed sportsmanship and spirit all through the ordeal of Frosh Week. They placed several times in the field events, and completely outyelled the Sophs at the rally, but were unable to accumulate enough points to depose their older and more experienced rivals. The Frosh are to be congratulated for keeping up the fight and not giving up when they were losing. This makes for a good beginning in forming their Cathedral spirit.

Backing the Athletes



Seniors, top class in drive, at Snow Valley.

Ticket sellers, reaching $75 and above, were backbone of drive.

All time best-seller, Danny Spencer, awarded by Brother Gene, made $1,000 worth of sales in four years.

All expectations were surpassed as this year's Athletic Drive smashed every former record! Paced by classes 10-3 and 12-3, which obtained 140% and 132% respectively, the school soard to an all-time high of 98%. A total of eleven homerooms brought in their quotas: three Freshman classes, three Sophomore classes, one Junior Class, and all four Senior Classes. The lower-classmen were led by the entire Senior Class, which exceeded its quota for the first time in the history of the drive, finishing with an impressive 118%. As a reward for their effort, the Senior Class as a whole went on a trip to Snow Valley.

The great success of the drive was attributed to increased spirit within the student body, as well as the variety of incentive awards which were offered. Some of these were: Phantom sweaters, caps, Cathedral pennants, rooters pins, and bids to the Queen's Ball.

Sophomore Class 10-3, first to acquire 100%, also broke old record by presenting a new mark of 140%

ROSE ANN BARBARO, Holy Family

Each year Cathedral chooses to honor one of five girls as its queen, not only for the quality of her beauty, but for personality and leadership in her school. Each of the five candidates is voted for by her student body and then selection of the Queen is made by the vote of a special committee and by the student body of Cathedral High. Rose Ann Barbaro, the pride of Holy Family High School, was chosen as Cathedral's Queen for 1958. At Holy Family she is the president of the Glee Club, a member of the Sodality and the Girls' Athletic Association.

One of the highlights of the whole event is the dance of the Queen's court at the Ball. Many nights go into rehearsal and preparation, under the expert guidance of Cathedral's dancing instructors, Miss Adair and Gene Parker. The climax of the event occurs when the Queen is crowned and each princess is presented with a memorial trophy.

A Decade of Song

Ten years have passes since Brother William Cyril first lifted his hand to bring out Cathedral's Spirit in song. Through those years a process of development has taken place until now in 1959 on the Tenth Anniversary, which is under the direction of Brother Kenneth for the chorus and Mr. Cronin for the band, the concert has reached a height of perfection that leaves all who witness it with delight and respect for that Cathedral Spirit.

In the last few years the settings and lighting have added that finishing touch to Cathedral's most impressive cultural exhibition. This work has been directed by Brother Calude. Mr. Disparte and Mr. Frank Campo have been former band directors of the concert and Brother Martin assisted directing the chorus in 1955 & 1956. This year's anniversary program was brightened with performances by several returning alumni who have performed in past concerts. All three performances brought full houses.

STUDENT BODY OFFICERS: Left to right: Louie Vasquez, Treasurer; William Neria, Secretary; Ruben Jauregui, President; Raymond Reyes, Vice-President; Albert Barrios, Sergeant-at-arms.

Initiative In Governing. . .

Working quietly behind the scenes, formulating the laws and resolutions which govern the student body, the Student Council has labored through the year to make this a better Cathedral. Representatives from each of the classes and school organizations have set forth their ideas and suggestions for the improvement of student body and campus.

Typical among the decisions reached by the Council are these: the purchase of an AM-FM radio to play in the cafeteria during lunch periods, a unanimous vote for silence in the cafeteria on Wednesdays during Lent as a public act of self-denial, and a decision to expand the rally committee by having representatives from each of the classes rather than just from each general group.

These are but a small sample of the work carried on by the Council. They also pass on appropriations for special projects, receive the reports of the various organizations, and decide on future activities. The bi-monthly meetings have been conducted with great efficiency by Ruben Jauregui and Ray Reyes, Student Body President and Vice-President, respectively.

One activity of the Student Council that is not much publicized is the student court. Working discreetly in the background, it decides the cases of offenders against the order and welfare of the student body. This past year, the court was presided over by "Judge" Ray Reyes, and the rest of the court was comprised of selected members of the Council.

The student government of Cathedral is indeed well-organized. It is truly a government "of the students, by the students, and for the students of Cathedral High School, " whose aim it is to foster and maintain the spirit of Cathedral by utilizing the qualities of leadership and good example to be found among the members of the Student Body.

Speech

This activity has always been a tradition at Cathedral, and Brother Edward has sought to continue it this past year. The organization, composed mostly of Freshmen and Sophomores, has met daily at the activity period to practice writing speeches and to learn voice control and poise before an audience. The members have participated in debates at Loyola and Marshall, and have taken part in the Southern California Speech Tournament and the Optimist International Speech Tournament. They did very well in the Optimist Tourney, taking several first and second places. Outstanding speakers have been Jesse Morales, Wojtek Mokowski, and Richard Cruz.

Under the direction of Brother Edward, there has been a new effort this past year to revive interest in high scholastic standing at Cathedral High. The Honor Society has completely reorganized in order to give a chance for membership to more students. The C.S.F. acts as a governing committee of the organization.

The Honor Society of any school should hold an important position, for, in the words of Brother Edward, "It is the actual nucleus of the school--the central point about which the other organizations revolve. The Honor Society is a firebox of energy which radiates its force and influence about the school."

Block C initiation dance in cafeteria.

In Service...

Always operating directly under the eyes of the student body, striving to maintain law and order in the hallways, always ready to serve at a moment's notice, this is our Circle C.

There is a great deal of prestige and respect attached to being a member of Cathedral's Service Club. Strict membership requirements assure a high degree of efficiency in the various tasks to which members are assigned. The club is open only to Juniors and Seniors with a good scholastic average, a spirit of generosity and an interest in the good order of the school.

Besides their daily duties of monitoring the hallways, the members also serve at dances and other school functions, parking cars, checking coats and hats, and serving refreshments, just to name a few. While on duty, the members wear arm bands to identify themselves, and it may seem surprising to an outsider, but a great deal of respect is given the authority of that arm band, no matter who is wearing it.

There is a long-established tradition at Cathedral, that of always being ready to serve, and one that is not likely to be abandoned. As long as the underclassmen look up to the Juniors and Seniors, and notice the respect they are given as members of this club, there will always be a Circle C at Cathedral High School. It is truly a selfless motivation which urges a student to become a member of the club. He gives up a good deal of his free time to the performance of his duties; he puts himself always at the beck and call of school authority. All this for the service of his school, for he gets very little physical return for his output of time and energy.

This past year, the Circle C was under the very able direction of President Henry Chavez, and Faculty Moderator Brother Daniel. The club performed its duties quickly and quietly, not disturbing the schedule of the school, but helping to maintain its spirit from the background.

Cathedral takes a great deal of pride in its fine service club. Very few other schools can match what the Circle C accomplishes.

Dance Band strikes up "Mambo No. 5."

Under the untiring direction of Mr. Cronin, the Cathedral band reached a new high in entertainment value this year. Comments from all sides have acclaimed this band as the best ever. Sparked by Manuel Menchaca, who is also the student director, Louie Mendoza, and Willie Armenta in the brass section, along with Tony Romero and Alex Gutierrez on Sax, the band has added a pleasant musical note to the school rallies and assemblies, helping to build up the spirit of the students before important basketball and football games, as well as playing at some of the games themselves. The real test of their artistic skill came at the Spring Concert, which is the most important musical event of the year. They played such numbers as "Blue Fantasy", "Design for Autumn," and "Town Hall".

They also performed at the night rally, the Christmas Program, and the Father and sons' night, as well as participated in the Marymount College Musical Fiesta. Cathedral can justly be proud of its fine band.

Entertaining for parents with "Lullaby of Bird Land" at the Christmas Party.

Sing!. Boy! Sing!

The strains of "Oklahoma" die away into the air; a thunderous applause breaks the silence... All in a day's work for the Glee Club.

Actually, all in many days' work, for Cathedral's songsters have been preparing for many weeks for this climax of the musical year: the Spring Concert. Under the direction and training of Brother Kenneth, the choral group has reached a degree of perfection not often found in a high school glee club, and the audience shows its appreciation.

Aside from participating in the Spring Concert, the club has also lent a musical tone to the Rallies, harmonizing with "Sviaty Boje" and "Wonderful Copenhagen." Then there were the moving solos by Frank Onate, accompanied by the flying fingers of Robert Brockmeier at the piano.

Cathedral is proud of its glee club. Besides providing opportunity for expressing artistic talent, the club offers a methodic and melodious way to release the enthusiasm, the spirit, of its members. They must learn to work together, and this is one of the prime requisites for a good school spirit.

In Mary's Honor

Having for inspiration the Mother of God, the Marian Society demonstrates its spirit through its many services to the student body. The holy water is kept daily renewed, vocation posters are circulated, weekly Mass is prepared for, altar boys are assigned to St. Peter's... This year's Mission drive accounted for over $1,000. Buying of new holy water fonts was the society's special project.

Monthly meetings are held which help to stimulate the generous spirit of the group. Plans are made for services and coming events. The strongest reminder of the group's spiritual principles is the Marian Society Mass attended twice a month at St. Peter's Church. Attendance at the Guadalupe procession in E.L.A. and Mary's Hour is much encouraged. Frequent forums with other schools help stimulate thinking along Catholic lines in matters of interest to teenagers.

Spooks Dump Serra, Pius X for 5-4 Mark

JANUARY 6, SERRA: Cathedral's J.V. hardwooders began their league schedule by downing the Serra quintet, 57-38. Snaric was the top Spook scored with 11. Bertrand was next with a close 10. Bauer, Serra's high point man, accounted for 13.

JANUARY 9, LONG BEACH: Finding the Saints a little too strong, Cathedral fell before St. Anthony's, 47-41. Barrios pumped for 17 points to gain the top scoring honors. Next, with 7 apiece, were Vasquez and Neria.

JANUARY 13, HOLLYDALE: Playing their third league game with a one and one record, the Spooks managed a 7-point lead at half-time and kept it to 4 points to down an aggressive Pius X squad, 36-32. Snaric was Cathedral's top scored with 10 points followed by Neria with 8. Ronnie Galway put the final 5 digits to the 36-point total.

JANUARY 16, CHAVEZ RAVINE: Unable to gain 3 points from the half, the J.V. cagers fell to Loyola, 45-42. Snaric and Vasquez shared Cathedral's high point honors with 11 each.

Seven successful rallies: excellent skits, musical talent, spirited yelling, This represents a year's work for the Rally Committee. Led by Danny Garcia, meeting often at activity period and after school, representatives from each of the classes worked out the problems involved, planned time schedules, helped prepare props, music, and many other tasks attached to putting on a successful rally. The biggest affair on the agenda was the night rally for the spring sports. It was, as always, a tremendous success.

The purpose of a rally is, of course, to work up enthusiasm within the student body before a big football or basketball game, in order to insure good attendance and cooperative cheering at the game. The rally committee was assisted in achieving this end by the versatile talents of Albert Sierra, John Corgiat, Paul Jensen, and Dan Spencer, just to name a few of the many talented performers of the past year. As usual, the most popular acts were the musical performances, as given by Ernie Holquin, Bob Brockmeier, and Frank Masongsong and his boys.

"All right, you guys, let's get those streamers straight this time!" is the sound from the gym as the dance committee rushes to get the decorations up in time for the scheduled festivities.

Holding their meetings at activity period and often after school, the committee planned and carried out a series of very successful dances for the students of Cathedral. Led by the efforts of co-chairmen Manuel Menchaca and Manuel Puente, they began with the "Welcome Frosh" dance in September, with the music supplied by the Playboys, and the attendance supplied by a record-breaking crowd of over one thousand. This was followed by the "Indian Summer" dance in November, with music by the "Dominos," the Christmas dance, with the "Crescendos," a sock hop in January with the "Flamingos," and two dances in April to finish out the year's schedule.

Louis Mendoza of Dance Committee and other Cathedralites enjoy evening dancing.

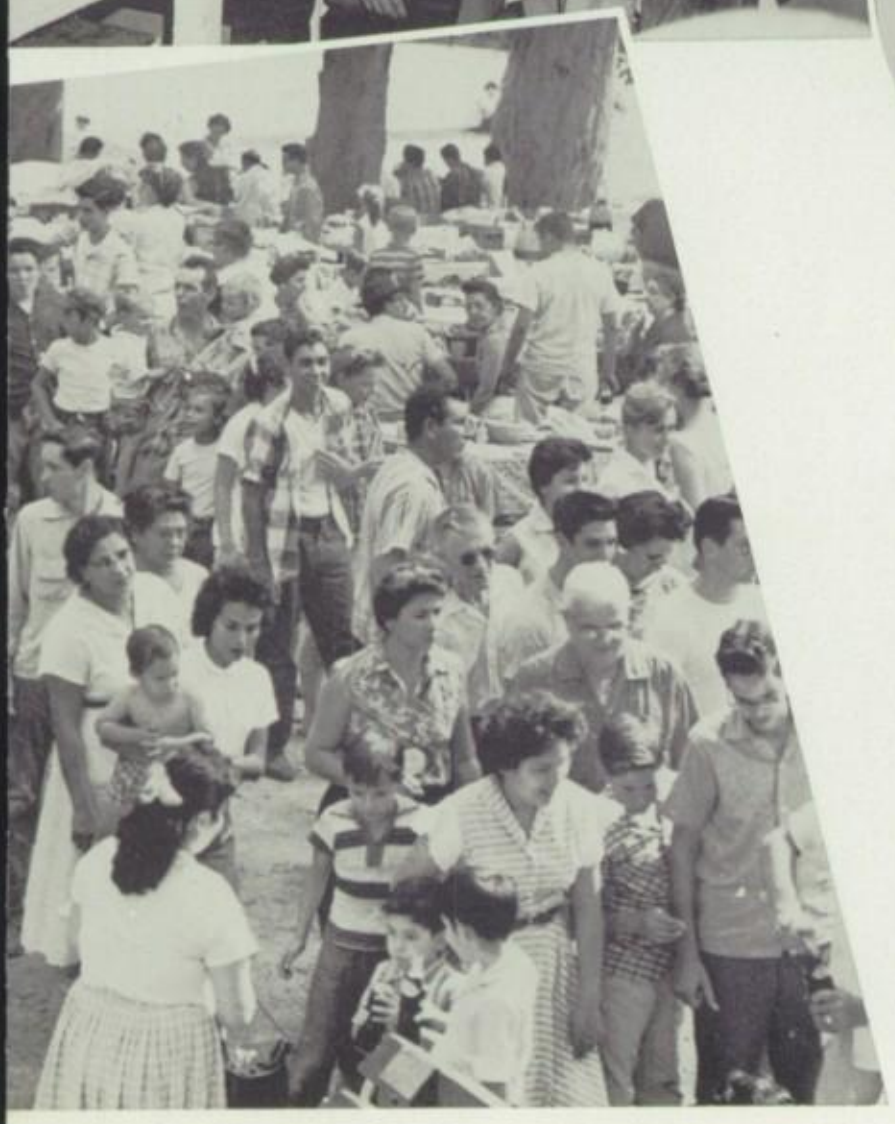
Mrs. Morgan, Mother's President presents Father Torra with Christmas gift.

Mr. Raymond Boring accepts Presidency of Father's Club.



The combined parents' organizations moved into action early this year, making it one of the most successful years yet for the Parents' Clubs. Starting off with a very large turnout for the family picnic in September, the activities continued through the open house and pot luck dinner in October, to the big fiesta in November, which climaxed the Athletic Drive. The fiesta was a great success, netting over seven hundred dollars for the Mothers' Club alone. Next on the agenda was the preparing of Thanksgiving baskets for the brothers, to be followed in December by the Christmas party, which featured a forty-minute entertainment.

As a Christmas gift to the school, the parents bought a life-size mannikin for the Life Science department, as well as a giant eye, ear, and flower, to facilitate the study of nature in the school.

Next was the banquet for the athletes who participated in the fall sports, followed by a tremendously successful fashion show in February, which netted another seven hundred dollars. There followed the banquet for the athletes for the spring sports and the farewell pot luck dinner in may.

This seemingly impossible amount of acitvity was under the well-qualified and excellently coordinated direction of Mrs. Morgan and Mr. Boring, presidents of their respective organizations. They were advised by Faculty Moderators, Brother Leonard and Brother Augustine.

"Roll the presses!" the call is heard. Cathedral's print shop is in action! The print room buzzes with activity as the small but efficient organization goes to work. Meeting every day during the activity period under the direction of Brother Armand, the six members of the print shop turn out office forms, football and basketball schedules, tickets, and other miscellaneous printing, thus representing a tangible saving to the school while gaining practical experience in the art of printing.

This year has been the best one yet for the print shop. With the purchase of new type from money donated by the Fathers' Guild, the shop has become entirely self-sufficient, no longer having to depend on outside printing establishments for type setting. Great thanks is owed to Mr. Malone of the Father's club for his time given to instruction for the members of this group.

Under the artistic guidance of Brother Claude, the talented group has shown the qualities of imagination, color and ingenuity.

Worthy of mention are the refined attributes of Art Aguilar's productions. However it is the whole organization, though small in size, that has offered an appreciable amount of life and excitement to the glance of every Cathedralite.

A Tribute to Si . . .

No explanation is needed as to the identity of this well-known personage on our campus. After twelve years of developing and improving the spirit of Cathedral, his name is known and respected by all. The first ten of those years were spent coaching the Phantom football squad, and, as most of us know, he presented us with three championship teams within that time, in '47, '51 and '54. Of those three he is proudest of the team of '54, when nine of his players made All-Catholic.

It has always been in the interest of "Si" to bring out the best in the Phantoms, teaching them good sportsmanship, self-sacrifice, team play, and devotion to Cathedral's standards. Often has he expressed his admiration for the "men of Cathedral," seeing in them those qualities which can be easily molded into real virtue.

His football experience did not begin at Cathedral. After high school he went on to Loyola University, where he starred on the football squad. His first coaching job was at Mount Carmel, where he spent four years, coming up with a championship team in '44.

Forced to give up coaching because of an illness, he is now athletic director. He is kept busy by his duties of scheduling games, buying equipment, and arranging transportation, just to name a few, but his personal influence is still felt as he is always willing to take time for a friendly word in conversation or advice.

To this, our hard-working Athletic Director, Si Dallmeier, a salute for a job well done!

Our Season In Review

The 1958 season could well have ended up with the Phantoms tied for first place, but bad breaks and close situations proved the deciding factors, bringing Cathedral to a 3-3-1 season record, and fourth place in the Catholic League.

In their season opener Antelope Valley proved an easy opponent in a 26-7 loss. Disarufino clicked on 11 of 13 passes for 171 yards and rushed for another 105 yards while Sam Navarro showed his speed and power in running. In the second game of the season the tables were turned with the Compton Tarbabes passing and running to a good 31-13 win.

In the first league encounter against Cantwell, the Cardinals proved to be stubborn in the first half of play when the score was 13-7 in the Phantoms' favor. In the second half, however, victory was quite well assured on a 20 yard T. D. run by Disarufino and another T. D. by Navarro. The Pius X Warriors almost proved to be the first defeat for the Phantoms, in keeping the score to a close 13-7. The Warriors proved tough on defense, leaving to the offense one costly error which gave the needed break to the Phantoms and the winning touchdown. Going against the favored defending champions of Carmel, the Phantoms were determined to give their best. The carmel offense had difficulty all night trying to smash through the Phantom line. A bad kick set up one T. D. and long passes accounted for the other two. Had the Phantoms scored at the end of the half, thus making the score a possible 12-7, the game might have ended a different story. Against St. Anthony's the Phantoms ended with a 0-0 tie although three times they were within the 10 yard line ready to score. A win at this time would have given Cathedral a shot at a tie for first with Carmel and Loyola, since the Crusaders lost their first in a 14-13 upset to Pius that night.

Raul Disarufino--Phantom Great

27 straight games; offense and defense; 950 yards rushing and passing in 1956; 1550 in 1957; 1413 in 1958; 28 punts for a 36.5 yard average, 9 T.D. passes and 4 T. D.'s on running in '58...are but a few of the feats of Cathedral's greatest quarterback.

Disarufino, a triple threat ever since playing at little Santa Teresita grammar school, has developed into a husky 6' 1", 185 pounder. Called "Bullet" by his teammates and friends, Disarufino has quite an arm. Completing 58% of his passes (65 to 112) this year, Disarufino has also rolled up a fabulous total yardage rushing and passing of 3913 yards in his three years at the helm of the Phantom Varsity. His greatest value has been in the deftness with which he sent into action the plays of the Phantom Varsity from his quarterback position. Speed, change of pace, and fakes accounted for many a sudden long gainer on the ground, while in the air his passes would find their marks straight and swift as a bullet, for which he has received his nickname. His steady, easy-going, calm, modest spirit has been a valuable quality in keeping him cool under fire on the field. He has won a host of friends by his willingness to be one among his schoolmates with the rest. His determination to always be a top challenger has gained him respect and admiration as a champion.

Numerous have been the awards with which he has been honored. In the words of his coach, however, he can best be proud of having been chosen as Most Valuable Player by his own squad. His future in the world of sports is bright as many offers have come to him to play in collegiate ranks. Here's hoping for the greatest success for this Phantom great as he takes that Cathedral Spirit wherever he goes.

Season in Review.....(cont. from pg. 55)

The biggest disappointment ot the season, however, came in "one of those games" with--you guessed it--Loyola. The Phantoms, with a 12-0 lead, seemed to be on their way to an easy win by half time after completely dominating the first half. But nine 15 yard penalties proved too much combined with new spark on the part of the Cubs, thus enabling them to score four times in the second half. Serra was too easy, giving a 49-0 win to Cathedral and enabling the whole bench to put in time on the field. Navarro proved perfection itself on conversions, making 7 out of 7.

In the final game of the season, the Phantoms lost to a determined Notre Dame squad. Penalties were costly here, nullifying one T.D. and two other possible scoring changes. In the third quarter the Phantoms led 14-13, but the Knights' speed brought two decisive T.D.'s. A possible victory was still in the making when Venegas took a "Bullet" pass to bring the score to 26-21, but the Notre Dame line crushed all efforts for a last minute score.

Hillclimbers-Champions

The hillclimbers did it again! For the fifth consecutive year, Cathedral's varsity cross-country team took the Catholic League undefeated, while the J. V.'s also brought a championship. Paced by Rudy Rodriguez and Richard Barron, the varsity squad swept all competition before them. Under the expert coaching of Mr. Art Saucedo, the Cathedral Harriers downed, in order. St. Anthony's, Notre Dame, Loyola, Pius X and Cantwell. Other outstanding team members were Rene Lopez, Carlos Mancillas and Henry Gonzales. Rudy Rodriguez received the Most Valuable trophy by the team's choice. Many more championships are yet anticipated for the future.

Tournament Champions

VARSITY BASKETBALL REVIEW

This was Cathedral's year to take the championship. It was there for the taking, but somehow it slipped away. However, the Phantoms were not without their moment of triumph. The much coveted Carmel Tournament Championship, usually dominated by perennially powerful Carmel, was this moment reached after close battles with Pius X and St. Vianney. This crown was a promising indication to what could be done, and the Phantoms proved their worth by posting a season total of 18 wins and 8 losses with an 11-3 record in the league ending up in second place and going into the C. I. F. playoffs.

Off to a fast start with wins over Serra, St. Anthony's and Pius, the Phantoms received their first severe jolt from the hands of their traditional rivals, Loyola, on Cathedral's court. Favored to win, perhaps they were a little too confident as the hard working Cubs kept up the pace to the final three seconds, when, after the score had just been tied they put in that last bucket at the sound of the buzzer to take a startling upset and first place in the league.

Roused by their recent defeat, the Phantoms took off hard on the Carmel Crusaders by waxing them by a 17 point margin on the Crusaders' home court. The game was totally dominated by the Cathedral five. The Phantoms jumped into first place once more on the basis of their next five wins and losses on the part of Loyola. At this point the way to the championship seemed to be blocked by only one obstacle, the second game with Loyola on their home court. However, even this was overcome as the Phantoms took the Cubs by 5 points after a last quarter rally by Loyola was stifled.

From this point on probably we'd settle for just about any explanation, but the unbelievable happened. Two teams, Carmel and Cantwell, which had previously been easily mastered by margins of 17 and 29 points came up to be the Phantoms' undoing. It was smart ball playing on the part of the Carmel Crusaders which set up a defense that stopped the Phantoms cold. On the Cantwell side of the sad facts, "the ball just wouldn't go in," as the saying went. These two losses were enough to pull the championship crown out of the Phantoms' hands and put it on the head of a team, St. Anthony's, which lost only two games during the season, BOTH TO CATHEDRAL. One lesson learned--you can never be too sure.

Without any doubt Raul Disarufino was the Phantoms' outstanding ball player, putting in superb leadership on the court by his steady shooting and backboard control which merited for him the honor of All-Catholic and Most Valuable player award of the year, placing him in the ranks of Cathedral's greatest athletes. John Vranjes showed a remarkably keen eye in tight spots. A promising candidate for next year's best is Tony Barron.

Sam Doyle Passes; 3rd Death in 1958

For the third time in the past year, sudden death hit Cathedral God summoned Sammy Doyle of class 10-5 while he was at home Mon day evening, December 22. This tragic event ended a short life of onl fifteen years.

Despite the short notice, a good representation of his classmates attended Sammy's Rosary the following night at Divine Saviour Church presided over by Father Russell Karl. Father also offered the funeral Mass the next day, on Christmas Eve. Sam was laid to rest at Calvary Cemetery with Father Torra, Cathedral chaplain, officiating at the grave.

Graduates

This year another class will pass from this revered campus, but though distant in one way will be close in another. For every year leaves its characteristic self not only upon the walls and grounds, but also within the very spirit of Cathedral. And upon the walls will be hung another portrait, and another question will take hold: What has this class of '59 gained from, and what has it done for its venerabla Alma Mater?

Beginning with the freshmen, as saplings, they found a steady foothold in the Spirit of Cathedral to win for two years the competitive sports and academic contests against their fellow lower-classes. Feeling the pride of achievement, they ventured forth in their efforts to prove that they were worthy of the honorable name of "upper-classmen". With respect to the departure of Brother Bertram, our beloved ex-principal who laboriously served Cathedral for six years, they decided to add their voice of acknowledgement. They presented him with the Brother Bertram Achievement Award. This presentation is awarded to the outstanding member of the Junior class for his qualities of Leadership, Academic and Athletic pursuits.

The time has come when the once called saplings must show to all, and to themselves, that they are ready to carry the name of Cathedral through the Senior Arcade and on to the world. Expressing their indebtedness to the school, they have shown their confidence that many will be the Cathedral honors of the future. In their ingenuity, they inaugurated the use of a Senior Parking Lot, reserved exclusively for Seniors, and still another addition, to the fancy of every student...the "7up" machine, The most distinguishing achievement, however, has been making 100% for the entire Senior Class, each class making 100% in the Athletic Drive, thus showing its complete loyalty to the work of their School. All 160 seniors enjoyed a day at Snow Valley for their reward.

Ending the year's activities was an outstanding prom and a novelty class Farewell party on graduation night.

Now, when that question may arise: "What did the Class of '59 get out of Cathedral?" The answer shall remain; "What they have put in." But do not let this writing stand witness to all the accomplishments of that class, because in each of those students' lives lies a more valuable story. It is the success of a class only when every member of that class has achieved one thing from Cathedral -- the spiritual size of a man.

Coming Up!

JUNIOR COUNCIL - Top Row: Rudy Castorena, Horace Bubion, Richard Boring, Tony Barron, Ramon Corona, Rudy Padilla. SECOND ROW: Anthony Rodriguez, Jim Mendoza, Louie Vasquez, Armando Reyes.

At the close of the year with the graduation of another Senior Class, a question usually arises: what of next year's Seniors? Who is there to take up the leadership of the student body, to carry on its traditions and perhaps to bring it to new heights of accomplishment? The answer to this question can best be found by looking at the present Junior Class.

Outstanding in the field of academics are Horst Abt and David Lee, who promise to be the stimulators of intense intellectual activity next year as the hard core of the newly formed Honor Society.

In activities and organizations, leadership may be found in Dennis Dodd, Marian Society; Jim Mendoza, Robert Rosales, Mike Pickering and Ramon Cruz in the Yearbook; Joe Vigil and Dick Lynch for the newspaper, Ed Patino in photography; and Rudy Castorena in Circle C. For '58-'59, two student body office holders have been Willie Neira as secretary and Louie Vasquez, Treasurer.

Sportswise, up and coming stars can be seen in Sal Macias and Manuel Ozuna in football, Tony Barron and Louie Vasquez in basketball, Willie Neria and Carlos Mancillas for track and in baseball Manuel Ozuna and Richard Pedroza.

As an indication of the present Junior Class' possible aggressive spirit, there is the Junior project, initiated by Jim Mendoza and completed with the assistance of Enrique Casillas, Peter Villanueva and Rudy Castorena. The outcome was an added note of beauty to the school yard in the sturdy cement block garden plot protecting a newly planted Chinese Elm which promises to offer its shade as a welcome spot for relaxation to many future Cahtedralites.

On tope for the Athletic Drive was class 11-2 which went to Mt. Waterman for their class outing. In Intramurals, the 11-3 football champs played 10-5 in the finals but lost, and in basketball after a close battle, 11-1 was overcome by 9-5 for the school championship.

To close off the year's highlights, the Junior Prom attended by 100 couples held on April 3 at the Riviera Country Club.

This meager listing certainly gives some promising indications for a possible great year ahead.

Junior project under construction.

10-5

About Christmas time, Class 10-5 was shocked by the news of the sudden death of Sammy Doyle. Sammy will long be remembered in the minds of his fellow students for his lively and bright personality which won him friends of all. He was admired likewise for his keenness to meet with ready penetration the challenge of the classroom. His was a genuine Cathedral Spirit manifested by his whole hearted interest in all class and school activities---an outstanding example which will serve as a guide for all who knew him. In Sammy Doyle Cathedral has lost one of its most promising Phantoms.

Class 10-5 can well be rated as one of the most active homerooms--having representatives in almost all school activities and athletics possible for Soph participation. Class academic standards were high as was shown by the second semester Honor Roll. Two students made the C. S. F.

The outstanding 10-5 athlete was Columbus McAlpin. Outstanding athletes were: Columbus McAlpin, football; Al Barrios, basketball; Ed Olkowski, track; Louie Varela, baseball. Led by Ronnie Galway and Al Barrios, their intramural team took the school championship.

Other achievements were: Over 100% in athletic drive, sanding and varnishing of class desks, and taking second in Brother's district mathematics contest.

10-4

Determination and willingness to work together contributed greatly to the success of Class 10-4 this year. This was demonstrated during Frosh Week and later during the Athletic Drive, where the class attained 106%.

The class has members in the Chimes Paper, advertising staff, glee club, printing club, speech and debating.

Ed Martinez represented the class on the Honor roll.

On the athletic field, there were outstanding individuals in all major sports. In football, Richard Martinez; in tennis, Robert Ruiz; in track, Walter McKinney; and in J. V. Baseball, Willy Rodriguez.

10-3

Class 10-3 has certainly had its share of achievements this year. Showing forth their athletic ability, they participated in many sports events during Frosh Week. Later on in the year, they took part in J. V. football, basketball, and track. An outstanding athlete was Wesley Dickson, who played Varsity football. The class was represented in J. V. Basketball by Joe Coria and Richard Doria.

The class was outstanding in the Athletic Drive, being the first in the entire student body with 140% of its quota.

Being a Spanish class, 10-3 was active in Spanish activities, distributing a Spanish paper among the other Spanish classes. Rudy Garica, Joe Coria, Robert Lucero, Jim Trentini and Joe Toorenueva participated in a spanish play at Mount St. Mary's College in March.

The class contributed often to the rallies, a frequent performer being Tony Casillas with his guitar.

This year was a very active one for Class 10-2. From the first day of school to the last, the spirit of the class was much in evidence throughout the school.

On the academic side, the class was represented by Javier Perez, who made the Honor Roll, while six others received Testimonials.

In the field of sports. two outstanding individuals were Lee Colca, earning a Varsity letter in track, and Mike Cannis, who played Varsity baseball. There were also other athletes representing the class in other sports.

In the intramural football contest, the class placed second in the Sophomore division.

To close the year, a picnic was held at the beach, where an enjoyable time was had by all.

10-1

In studies as well as in sports, this year proved to be a most rewarding one for class 10-1. The first quarter saw the class with a large number of students reaching the Honor Roll. These were Robert Acosta, Raymond Recendez, Gus Ruiz, and Michael Pesqueira. As the year progressed, the class participated and became very active in the various school functions.

In the field of sports, two outstanding individuals were Art Perez, and Raymond Recendez, playing Varsity football. On the J. V. first string were: James Soccio, Rudy Sieza, Gus Ruiz, David Cinat, and Bob Acosta.

The year was closed with a class outing to the beach, but this class will be back again next year, to make an even deeper impression on the school as Juniors.

9-5

Class 9-5 has shown an excellent class and school spirit this past year as can be seen by looking at the record of their achievements. They began during Frosh Week by contributing seven members to the sports events, six to the academic contest, and two well-done skits to the rally. They continued through the Athletic Drive, surpassing their quota by obtaining 108%. They spent their well-earned holiday at Mt. Waterman. Ten of the students, being outstanding salesmen during the drive, were awarded bids for the Queen's Ball.

The class was represented in extra-curricular activities, having members in speech, journalism, glee club and band.

Looking back through the year, it can be said that class 9-5 lived up to the standards of Cathedral.

9-4

Taking an active part in studies and acitivities, Class 9-4 has been outstanding this past year. They did very well in the Athletic Drive, ending up with a total of 111%, and taking a day off from school as their reward.

The class placed four students on the Honor Roll: Larry Mestyanek, Louie Garcia, David Gonzales and Mike Carrillo. Many others received Testimonials.

9-4's year has been one of learning and experience. They are now looking forward to the future as Sophomores. and are already planning a Sophomore mixer.

9-3

Class 9-3 first showed their unity as a class during the annual Athletic Drive, being the first of the Freshmen classes to attain its quota. They finished the drive with a total of 112% and took as their reward a paid picnic at - Where else? - Mt. Waterman.

Buckling down to their studies right from the start, 9-3 placed Peter Slavic, Sammy Glorioso, Jesse Morales, and Adrian Gonzales on the Honor Roll, while many others received Testimonials.

Sparked by Peter Gomez, Tom Bibbs and Joe Higuera, the class intramural football team took first in the Freshmen Division. Rising hopes for the championship were shattered by a defeat at the hands of the Sophomore class.

To end a very successful Freshmen year, a picnic was held at Elysian Park, with competition being held in many sports. The food was prepared by volunteer chefs from class 9-3.

Barrientos, L. Baca, N. Diegidio, D. Ladnier.

9-2

Bewildered at first by the strange new surroundings, the members of Class 9-2 soon came into their own as students of Cathedral. They began by participating in the contests of Frosh Week, and a little later, in the Athletic Drive.

Representing them in the various activities were Dave Salinas - Speech - and Greg Padilla - Glee Club. The class was also represented in the various sports, with class members lettering in many of these.

In February, the scene changed to one of flying snowballs and tumbling students, as the class took a trip to snow-covered Mt. Waterman.

The plans of the group for the future include further participation in the activities at Cathedral, and the formation of a better and more closely united class.

9-1

Our Freshman year began with the introduction of names and the presentation of new ideas. All were soon accustomed to the new environment and became aware of the talents and abilities of their fellow students. With this new knowledge the participants for the Frosh Week events were soon chosen. Class 9-1 contributed greatly to the spirited competition in the Week's contests.

In accordance with Cathedral's tradition in sports, this class was represented in J. V. football by Paul Velasco. There will be more participants in the years to come, as any member of the class will assure you.

Wishing to show their growing spirit in yet another way, the class members undertook to paint their homeroom and sand the desks.

For a mid-winter outing, a trip to the snow at Mt. Waterman was arranged. Despite a few minor casualties, a pleasant time was enjoyed by all.

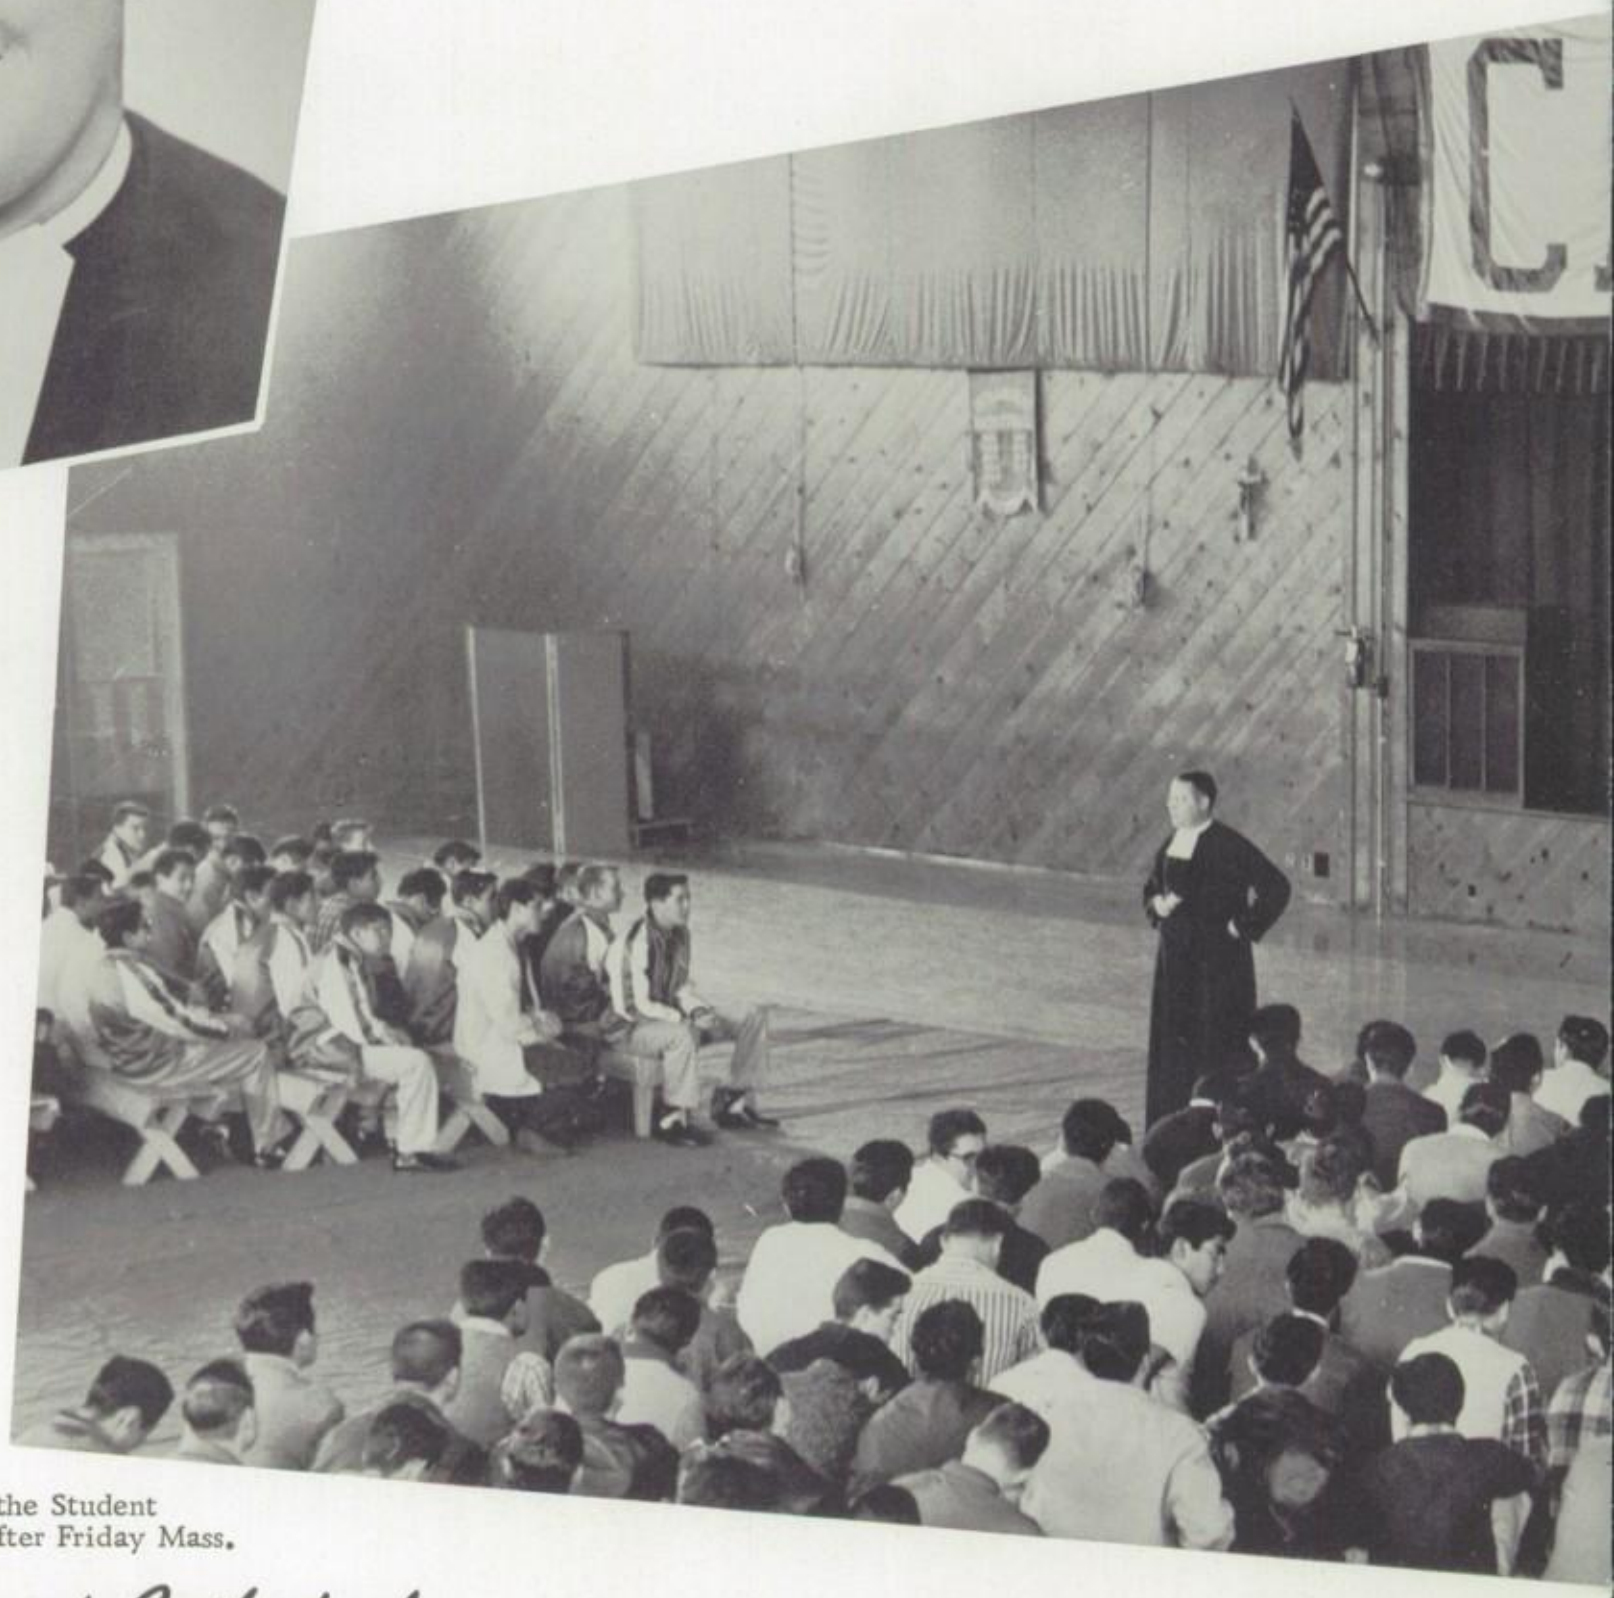
BROTHER GENE, F.S.C.
Principal



Brother Gene speaking to the Student Body in weekly briefing after Friday Mass.

. . . Graduate of Cathedral

Many times a student will wonder what it's like to be on the other side of the front desk. Well, in Brother Gene's experience this wonderment has been fulfilled in more ways than one.

Brother Gene, a former Phantom of Cathedral, returned to his Alma Mater in 1953, not only to find out what it was like behind the teacher's desk, but also as Vice-Principal in 1957, and now as Principal in 1959. Cathedral has received one of its own to be a molder of its spirit.

Graduating in 1947, Brother Gene ended four outstanding years as student and athlete. He lettered in football and track, setting a Catholic League record in the mile. Sports weren't his only interest, as he won honors in studies and the school activities, like the Chimes Paper and Yearbook, found him once more successful. Upon graduation he received the General Excellence medal for his scholastic and athletic accomplishments.

After graduation he entered the Brothers' Novitiate for a year of spiritual formation. At St. Mary's College he received his degree of Bachelor of Science with honors. His first teaching experience began at Garces High in Bakersfield just prior to his coming to Cathedral. While at Cathedral he received an M.A. degree in Education from Immaculate Heart.

The students of Cathedral can certainly find in Brother Gene one quite capable of appreciating their efforts in the classroom, chapel and on the field, not only from their point of view as individuals, but with that outlook that knows truly THAT CATHEDRAL SPIRIT.

Principal's Message

To the Class of 1959--

Education is a continuous process. We pass from one phase of life to another, seeking always to improve and advance toward our ultimate goal. In leaving high school you cannot assume that your education has been completed, rather the role of the formal teacher may be ended while the role of the student has become even more important.

Education demands self-direction. Experience does not result in knowledge unless a personal responsibility is assumed for the direction and interpretation of this experience. No teacher or educational system can guarantee results for this reason. It is to the credit of the Class of 1959 that the majority of its members actively seeks to improve itself and to engage in this self-educative process.

The members of the faculty are happy to have been a part of the means whereby you as students have been given the opportunity to develop yourselves as Christians and intelligent members of society. We know that you will be far better persons for having given yourselves wholeheartedly to the education that has been offered to you.

Brother Edward seen in one of daily occasional meetings with students. Here, debaters discuss prospects of a coming meet.

Vice- Principal . .Back to Cathedral

After an absence of one year to teach at Bishop Armstrong High School, Brother Edward is once again at Cathedral in his old position of Vice-Principal. He was heartily welcomed back by the students who knew him before, and greeted with bewilderment by the Freshmen and Sophomores who knew nothing of this famed teacher of the "Universal Light."

Behind the Scenes. .

Of the many groups to whom the student body owes a debt of gratitude, there is the help employed about the school. The members of the staff work uncomplainingly behind the scenes throughout the year, to maintain as far as possible the satisfaction of mankind. This refers particularly to the office staff, which processes our records, makes out receipts for tuition, sells tickets for basketball games, and does innumerable other tasks. But there is also the maintenance help, which labors to keep a thousand and one odds and ends in place anywhere from plugging leaks in the roof to pulling weeds, and clean-up. To these untiring behind the scenes laborers goes this expression of gratitude.
